Why I would be a perfect dancer

I think I would be perfect for this job as a dancer, so pick me! You will not regret it!

Firstly, I am a great dancer, because I do dance lessons and I have been doing them for three years now. ~~Also~~ My concert is coming up so I'm ~~practising every night~~ ^{practising as hard as I can} at any time I can! I also did a year of dancing when I was five!

Secondly, I always have lots of energy, ~~all the time~~ because I eat healthy things and I bike to school nearly every day otherwise I walk if I'm not biking!

Thirdly, I have a lot of time normally when I'm not practising also I don't have a job so I have lots of time to train and get better at it! I believe that I would be perfect because I have so much time to train and get better!

In conclusion I think that I should get the job because, I am a great dancer,
